

**COMMISSIONERS' PROCEEDINGS  
NIOBRARA COUNTY, WYOMING  
APRIL 15, 2008**

The Niobrara County Commissioners meeting reconvened at 9:00 a.m. on April 15, 2008. Those in attendance were Commissioner Chairman Richard A. Ladwig, Commissioners Ronson B. Pfister and Arlene Zerbst Rapp and County Clerk Becky L. Freeman.

Road & Bridge- Foreman Fred Thomas met with the Commissioners and discussed the 28 Road project. He also informed the Board that he delayed the start of the gravel haul for another week due to moisture; the Hat Creek Bridge is being hauled out tomorrow or Thursday, and discussed equipment and quotes for equipment.

LarreeAnn & Randy Kraft and Sue Lang met with the Commissioners to inquire about when the shoulders of Indian Creek and Hat Creek Roads will be pulled. Fred said that it is scheduled soon. The Krafts also had concerns about the corner marker on their road. According to the Krafts, the State was supposed to install a cap marking the corner, but have not yet done so. They want to ensure that the corner isn't pulled into the road. They also stated that they would prefer that Road & Bridge did not blade Indian Creek Road because they feel that the lack of traffic on that road does not warrant a lot of maintenance.
