Mediation Workshop

April 16-17 & 23-24, 2019

Lusk, WY

Interested in learning how to be a mediator?

Join us for the in-person workshop to learn the basics of integrated negotiation, communication in conflict and introductory mediation skills.

Topics to be covered include:

- Understanding and managing conflict
- Principles and stages of integrative negotiation
- Strategies for difficult negotiations
- Communication theory
- Steps of the mediation process
- Use of mediation for a variety of disputes
- *And more!*

Upon completion of a 30-hour workshop, participants will be certified to mediate through the Wyoming Agriculture & Natural Resources Mediation Program.
