The application must be filled out completely before it will be processed.

ALLOWABLE COMBINATIONS: Only capital letters and Arabic numerals shall be used. No other symbols or characters will be allowed. A maximum of four (4) letters or combination of four (4) letters and numbers may be requested. Any combination that spells, connotes, abbreviates, or otherwise stands for language that is obscene, vulgar, indecent, or pruriently suggestive will not be allowed. No four (4) character combinations can contain more than a total of three (3) W's or three (3) M's. No combinations consisting of a number or numbers followed by a single alphabetic suffix will be issued. No combinations consisting entirely of numbers will be issued as a personalized prestige license plate unless the beginning digit is a zero (0). In addition, no combination shall duplicate a currently issued plate or conflict with a series of letter and number combinations on a regular issue license plate.

ISSUANCE OF PLATES: Personalized prestige license plates will be sent to the County Treasurer of the county for which the plates are ordered. Upon payment of the regular registration fees, the County Treasurer will issue the prestige license plates in lieu of regular plates. The license plates may also be transferred to a like motor vehicle. Transfer of ownership may occur upon written notification by current owner of combination relinquishing interest and surrendering plates to this office or County Treasurer's office. Current plates must be expired before new plates will be issued by County Treasurer's office. A new application must be submitted with the \$30.00 fee for new owner to receive combination. *Please note, that if you do not renew your license plate within 6 months of your expiration date, the combination will be made available to the public.
